Re IMS Ceilings & Drylining Ltd

IMS have completed a number of successful contracts for WH Snow Ltd over the last 4 years & been a valued member of our supply chain.

Contracts have ranged in value from £25k to £250k and involved SFS, Partitions / Drylining, plastering, suspended ceilings, acoustic & fire proofing works.

Most recent completed contract was a 54 student bedroom scheme at Mount Pleasant, Liverpool, approx. value £224k. They delivered a difficult project to a high standard and assisted with resolving design / detail issues, together with a sensible approach to commercial matters.

We look forward to continuing our working relationship on future contracts.
